#### **Why do families matter for our future? Why do families ...**

Why do families matter for our future? It was recently put to me as the new Director of the Australian Institute of Family Studies (AIFS) that a key policy question for Australia right now is: "Why are families important?" This surprising comment highlighted that an understanding of the important role of families in our national life may not necessarily be a given, requiring fresh

#### **Why Do Research on Families? - SAGE Publications Inc**

all, we all have families, don't we? We know about families through our own experiences Most surveys simply confirm what we already know, right? So why bother to do social research on families? To really understand why we do social research, we have to recognize that curiosity is one of the most basic of human drives Some biologists believe
